

Renowned for its refined service and elegant surroundings, the **Nissi Beach Hotel & Resort** is a highly recommended 4-Star hotel. To marry on site, you will need to be resident at the hotel.

Civil weddings are conducted under the shade of a very pretty gazebo that is large enough for over 30 guests and is set in the well-maintained gardens, facing the magnificent Nissi Bay on which the hotel directly stands. The hire of the gazebo includes fresh flowers on the ceremony table, white drapes and CD music.

### Cocktail Parties & Wedding Receptions

*After the ceremony, celebrate your marriage with an al fresco lunch, cocktails at sunset, dinner under the stars at one of the beach venues or a gala event in one of the open-air restaurants or elegantly decorated ballroom. No matter what you choose, we'll supply you with all the suggestions available, including decor ideas to complement the style of your wedding.*
