

Always keen to respond positively to public demand, the 'wedding team' at Paralimni Town Hall has found a perfect beachfront location for wedding ceremonies in the Pernera area. Indeed Pernera Blue Waters is a true sea view wedding venue set in the resort of Protaras and close to the promenade that runs along the sea front. Conveniently and to ensure comfort for all (and save your shoes!), a large and shaded platform where the ceremony is conducted has been erected on the beach. It comfortably accommodates up to 40 seated guests and, if required, there is space for standing guests too. As usual, anything can be added to the package to include any extra touches you'd like to suit your wedding colour theme and you may bring your own CD with your chosen music. Transportation can be organised for your guests and the bride may also choose to arrive separately and make a grand entrance once everyone has already reached the venue.

Cocktail Parties & Wedding Receptions

We'll discuss the various possibilities to continue the celebrations of your big day. Perhaps a cocktail party to toast the bride and groom back at your hotel before the wedding reception. Or if you'd rather have something less formal, there's also a good choice of local tavernas and restaurants we can recommend in the area.
